CASE NO: Z2004020

Staff and Zoning Commission Recommendation - City Council

Date: September 23, 2004

Zoning Commission Meeting Date: July 20, 2004

Council District: 7

Ferguson Map: 579 E1

Appeal: Yes

Applicant: Bilmar Construction, LP

Owner: Rosin-Johnson, Inc.

Zoning Request: From I-1 General Industrial District to R-5 Residential Single-Family District on 32.7 acres, C-2 Commercial District on 6.7 acres, and MF-25 Multi-Family District on 5.2 acres out of NCB 18560

44.6 acres out of NCB 18560

Property Location: West of the intersection of Bandera & Eckhert Road

Proposal: To develop subject property for residential and commercial use

Neighborhood Association: None

Neighborhood Plan: Northwest Community Plan

TIA Statement: A traffic impact analysis is not required

Staff Recommendation:

Approval. The proposed zoning is consistent with the Northwest Community Plan as amended on September 9, 2004. The Northwest Community Plan calls for Community Commercial, High Density Residential, and Single-Family Residential Land Uses at this location. The subject tracts are undeveloped. Property to the north and south are currently zoned "I-1". Property along the east side of Bandera Road is currently zoned commercial. Given that the adjoining properties to the north and south are zoned industrial, adequate buffering should be considered for any residential development.

ZONING CASE NO. Z2004020 – April 20, 2004

Applicant: Bilmar Construction, LP

Zoning Request: “I-1” General Industrial District to “R-5” Residential Single-Family District on 34.77 acres, “C-2” Commercial District on 5.15 acres and “MF-25” Multi-Family District on 4.47 acres out of NCB 18560.

Roy Rosin, 11925 Starcrest, representing the applicant, stated their intent is to develop the subject property for residential and commercial uses. He stated they feel this request is appropriate for this area. He stated there are residential uses in this area. He further stated they would provide a buffer between the existing industrial uses and proposed residential use.

Nina Nixon-Mendez, Planning Manager, stated the proposed amendment to the Northwest Community Plan shows there is light industrial uses in the area that would remain. There is one area that has mixed use designation. They are considering high and low density residential and community commercial for the remaining parcels.

FAVOR

Mike McMahon, 999 E. Basse Rd., represent owner, stated this property has been zoned industrial use and there has been no industrial development. He stated this change would be suitable and feels the proposed development would enhance the community.

OPPOSE

Don Freiling, 5510 Brewster, stated he feels residential use would be an inappropriate for this area. He stated they are experiencing a high volume of vandalism and crime in this area. He also expressed concerns with how this zoning change may deteriorate the industrial properties.

Larry Bradford, 555 Panther Ridge, stated he owns property within this area and he was not notified of this change and would like more information on what they are proposing. He further stated residential homes in this area are inappropriate. He stated the future residents would complain of the heavy noise pollution as well as other heavy machinery that are used. He also stated he feels these homes would probably not sale due to the heavy industrial uses in this area.

Emmett Mikolakczyk, 5315 Verbena, stated he purchased property in this area with the intentions of continuing to operate a gravel pit. He stated he does not feel residential homes is inappropriate in this area. He also expressed concern with an increase in traffic.
Ken Brown, 112 E. Pecan, representing a property owner in this area, stated his client operates an industrial business. There are cement-manufactured plants, gravel pits and a sand pit with outside storage and feels the proposed residential development is inappropriate for this area.

REBUTTAL

Roy Rosin, stated the Unified Development Code requires a buffer when an industrial use abuts a residential use, which they would provide. They are also proposing to provide a right of way widen to 86 feet, which would be a total buffer of 180 to 200 feet between the industrial and residential uses.

Staff stated there were 19 notices mailed out to the surrounding property owners, 2 returned in opposition and 1 returned in favor.

Everyone present, for and against having been heard and the results of the written notices having been received, the Chairman declared the public hearing closed.
