Staff and Zoning Commission Recommendation - City Council

Date: September 23, 2004

Zoning Commission Meeting Date: June 15, 2004

Council District: 7

Ferguson Map: 548 B4

Appeal: No

Applicant: Roy Horn, III

Zoning Request: From O-2 Office District to C-2 Commercial District

Property Location: Lots 3 and 4, Block S, NCB 14667

Proposal: For retail use

Neighborhood Association: Country View and Country View Village Homeowners Association

Neighborhood Plan: Huebner/Leon Creek Community Plan

TIA Statement: A traffic impact analysis is not required

Staff Recommendation:
Consistent. The land use component of the Huebner/Leon Creek Community Plan calls for this area to be developed as Community Commercial. C-2 is one of several zoning districts that the Zoning Commission may find to be consistent with the description for Community Commercial. Community Commercial provides for offices, professional services and retail uses that are accessible to bicyclists and pedestrians. Community Commercial should be located at the nodes on arterials at major intersections or where an existing commercial area has been established. Examples of Community Commercial uses include cafes, offices, restaurants, beauty parlors, neighborhood groceries or markets, shoe repair shops and medical clinics (see page 25 of the Community Plan). To be fully consistent with the plan, the design of the site should include limited front parking, buffer landscaping and controls on lighting and signage.

Approval. Babcock Road is a major thoroughfare. A daycare exists immediately south of the subject property with a mini-storage and auto repair facility to the north across Horn Road. The subject property's lot is adjacent to a gated single-family neighborhood to the west. The requested zoning district accommodates commercial and retail uses that are more intensive in character than NC and C-1 uses, and which generate a greater volume of vehicular traffic and/or truck traffic. Considering the location of the subject property, C-2 uses would be appropriate at this location.

Applicant: Roy Horn, III

Zoning Request: “O-2” Office District to “C-2” Commercial District.

Roy Horn, applicant, stated he would like to request a continuance on this case to have more time to further discuss his proposal with the surrounding property owners. It approved by Zoning Commission and denied by City Council. He stated they did not support the zoning request in 1995 and they are still in opposition of this request. He further stated Country View Neighborhood Association was not notified of this request. He feels this area should retain its “O-2” designation.

Tracy Davila, 28 Pembroke Lane, stated he also is in opposition of this request. He feels this would have a negative impact on the neighborhood. He expressed concerns with the noise and waste pollution as well as the increase in traffic.

Ernest Bruno, 22 Pembroke Lane, Board of Directors of Pembroke Village Neighborhood Association, stated he would like to express the same concerns as Mr. McCabe and Mr. Sheets. He further stated he purchased his home with the understanding that the subject property remain “O-2”. He stated this request would definitely affect the environmental area, the safety and security of the neighborhood and cause a considerable amount of noise, traffic and other disruptions that comes along with a business.

Victor Larrumbide, 13 Pembroke Court, stated he would like this request be this case be denied. He stated they are concerned with how this change may devaluate their residential properties.
