SUBJECT: Requesting an ordinance to authorize the City Manager to amend a professional services agreement with HVS International (approved by Ordinance No. 99012 on March 25, 2004) in an amount not to exceed $30,000 (for a total contract amount of $90,000) to provide additional consultant services during the Hotel Developer Proposal evaluation phase for the Convention Center Hotel Project.

DATE: September 23, 2004

SUMMARY AND RECOMMENDATIONS
This ordinance would authorize the City Manager to amend a professional services agreement with HVS International (approved by Ordinance No. 99012 on March 25, 2004) in an amount not to exceed $30,000 (for a total contract amount of $90,000) to provide additional consultant services during the Hotel Developer Proposal evaluation phase for the Convention Center Hotel Project.

Staff recommends approval.

BACKGROUND INFORMATION
The City is pursuing the development of a 1,000-room convention center hotel adjacent to the Henry B. Gonzalez Convention Center. On August 24, 2004, the City received proposals from three hotel development teams. The City is now in the process of evaluating the proposals.

In its agreement with the City, HVS agreed to perform, but not be limited to, four main tasks. In the last six months, HVS has worked on the first two tasks: conduct an investment feasibility analysis and prepare Request For Proposal documents for the City’s hotel developer RFP.

Now that City has received the proposals, HVS will perform the third task of assisting the City in evaluating the proposals. HVS will be responsible for submitting a written evaluation report and will be available to answer City Council questions during the developer selection process. This amendment to the agreement will cover the expenses incurred in providing this service.
If the City selects a preferred hotel developer, then the City may engage HVS to complete the fourth main task, which is to conduct a final investment feasibility analysis. This final feasibility analysis will become part of the Offering Statement for bond issuance in support of the Convention Center Hotel Project. In its agreement with the City, HVS was made aware that the City would need to amend the agreement a second time to make funds available for this final and fourth task.

POLICY ANALYSIS
By amending the professional services agreement with HVS International, the City continues with its deliberate process of engaging experts in assisting the City with its selection of a hotel developer. It is anticipated that a recommendation regarding the proposals will be presented to City Council by the end of October 2004.

FISCAL IMPACT
On October 23, 2003, City Council approved Ordinance No. 98339, which re-appropriated $96,346.19 from a Hotel/Motel Improvements and Contingency Fund to a Miscellaneous Special Revenue Fund for payment to hotel consultants working on the Convention Center Hotel Project. On March 25, 2004, the City Council approved Ordinance No. 99012, which allocated these funds to the professional services agreement with HVS.

COORDINATION
This item has been coordinated with the City Manager’s Office, City Attorney’s Office, and Finance Departments.
