SUBJECT: Execution of tenant Lease Agreement renewals of City owned space in the Frank Garrett and Claude Black Community Centers

DATE: May 5, 2005

SUMMARY AND RECOMMENDATIONS

A. This ordinance authorizes the execution of two five-year tenant Lease Agreements commencing June 1, 2005 for City owned property at the Frank Garrett Community Center with AVANCE-San Antonio Chapter (2,560 square feet of office space, annual rental of $1.00) and Parent/Child, Inc. (3,646 square feet of office space, annual rental of $1.00).

B. This ordinance authorizes the execution of two tenant Lease Agreements commencing June 1, 2005 and ending September 30, 2006 for City owned property at the Claude Black Community Center with Family Services Association of San Antonio, Inc. (630 square feet of office space, monthly rental of $242.00) and Miller Child Development Center (3,542 square feet of office space, monthly rental of $708.40).

Staff recommends approval of these ordinances.

BACKGROUND INFORMATION

AVANCE-San Antonio Chapter conducts the Early Head Start Program that provides early childcare and development for children to three years of age. The AVANCE-San Antonio Chapter is licensed to provide services for 32 children. AVANCE is able to use the Fair Market Value of the occupied space, estimated at $30,720 per year, as an in-kind match for other grant opportunities.

Parent/Child, Inc. (PCI) operates the Head Start program as a delegate agency of the City of San Antonio. The Head Start Program, a national childcare and development program for low-income families, serves approximately 6,700 children per year in San Antonio and Bexar County. The Frank Garrett Community Center location is licensed for 80 Head Start children. PCI is eligible to use the Fair Market Value of the occupied space, estimated at $43,750 per year, as an in-kind match for the Head Start Grant, which has a match requirement.

Family Services Association (FSA) of San Antonio, Inc. operates the Eastside Family Alternatives program, based in the Claude Black Community Center. The program provides substance abuse counseling and intervention for youth and adults while helping the families cope with the inherent problems of substance abuse. Family Services Association is providing services to an average of 336 individuals each month.
Miller Child Development Center, a for-profit center, provides quality child day care and early childhood education and training. This program strives to provide the child with early positive life experiences thereby promoting a successful transition into their school years. Miller Child Development Center has a daily occupancy rate of 77 children. The Center pays a higher rate per square foot than FSA because they receive additional services, including custodial support.

POLICY ANALYSIS

This ordinance addresses the core issue of Family Strengthening and continues existing City policy of providing support, to include office space, to community-based agencies that provide services that address the needs of low-income children and families as well as early childhood education and workforce development. The one-dollar a year rental to AVANCE and PCI is consistent with City policy to provide in-kind support to non-profit social service agencies when it can be used to leverage other resources and provide increased direct services.

FISCAL IMPACT

These leases will result in lease payments to the City during the various lease terms of approximately $11,534. This action requires no General Fund commitment.

COORDINATION

Coordination has occurred with the City Attorney’s Office, Finance Department, Office of Management and Budget, AVANCE-San Antonio Chapter, Parent/Child, Inc, Family Services Association of San Antonio, Inc. and Miller Child Development Center.
