CITY OF SAN ANTONIO
NEIGHBORHOOD ACTION DEPARTMENT
CITY COUNCIL AGENDA MEMORANDUM

TO: Mayor and City Council

FROM: David D. Garza, Director, Neighborhood Action Department

SUBJECT: Appointments to Tax Increment Reinvestment Zone Board Number Sixteen – Brooks City-Base

DATE: May 5, 2005

SUMMARY AND RECOMMENDATIONS

This ordinance will appoint Virginia Cobarrubias, Catharinc Ann Dean, Ray Gill, Kirklan Warren King, Richard Elwood Nitschke, Jerrold Ray Rowray and Thomas M. Rumora to the Board of Directors for the Tax Increment Reinvestment Zone Number Sixteen (16), City of San Antonio, Texas, known as Brooks City-Base, for two-year terms beginning January 1, 2005. This ordinance will also provide for waivers, for these terms only, of Section 2-402 of the City Code regarding the process for at-large appointments for these appointees, and of Section 2-403(c) of the same article regarding the City residency requirement for Richard Elwood Nitschke. Pursuant to Ordinance Number 100073, passed and approved on December 9, 2004, City Council authorized the designation of the Brooks City-Base reinvestment zone to support mixed-use development on approximately 2,500 acres of land whose boundaries lie approximately west of I-37, south of South New Braunfels Avenue and S.E. Military Drive, east of South Presa Street and Old Corpus Christi Road, and north of Dave Erwin Drive and S.E. Loop 410. Each year the board of directors of a reinvestment zone shall elect one of its members to serve as presiding officer for a term of one year.

Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

Soon after Board appointments are approved by the City Council, the Board will convene to consider the Final Project and Final Finance Plans and to complete the TIRZ creation process by executing all the necessary legal documents.

This Reinvestment Zone was designated by city initiative. When the City designates a TIRZ, the TIF Act requires that the City Council establish a reinvestment zone board of directors. Pursuant to the section of the TIF Act applicable when the Zone was created, city-initiated Reinvestment Zones require a Board of Directors composed of at least five (5) members, unless a greater number is necessary to comply with the statute.
In compliance with the formula for board composition in the Act, the initial composition of this city-initiated Tax Increment Reinvestment Zone board shall be seven (7) directors appointed by the City for two-year terms. The TIF Act does not provide seats on this board to the State Senator and State Representative in whose districts the zone is located. In the event that other taxing entities wish to participate by contributing their increment to the TIRZ Fund, the Board composition will be adjusted up to fifteen (15) board members, with appointments based on a pro-rata share of the total projected revenue. All appointees will continue to serve until reappointed or replaced by City Council action, or else removed for noncompliance by the City Clerk. State law prescribes that that to be eligible for appointment, a person must: "(A) be a qualified voter of the municipality; or (B) be at least 18 years of age and own real property in the zone, whether or not the individual resides in the municipality."

**POLICY ANALYSIS**

On December 16, 2004, City Council passed and approved Ordinance Number 100199, which governs the creation and operation of all boards and commissions created by ordinance or resolution passed by the City of San Antonio City Council. It has been the City’s policy, and continues to be, that the boards and commissions policies of the City of San Antonio apply to TIRZ Boards, except as provided otherwise by state law.

Due to the unique nature of TIRZ boards, and in an effort to comply with the amended City Code, staff requests that for these terms only, these appointees to this board be exempted from Section 2-302 of the City Code, regarding the process for at-large appointees to boards and commissions, and Richard Elwood Nitschke be exempted from Section 2-403(c), regarding the requirement that all board appointees be residents of the City.

While TIRZ Board members by state law are not City officials, it is City policy to require them to comply with the Financial Disclosure Report statement provision of the City Ethics Code. All board and commission members must file a Financial Disclosure Report with the Office of the City Clerk upon appointment, and annually thereafter, throughout the member’s term and any possible holdover status. Failure to file a Financial Disclosure Report within the time required by the City Ethics Code will be considered an automatic removal.

Staff advertised for Applications for Appointment to TIRZ Boards in January 2005. After one (1) application was withdrawn out of the original eight (8) applications received, seven (7) applicants remained. All applicants meet Statutory requirements. These seven (7) applicants include:

**Applicant**
Virginia Cobarrubias
Catherine Ann Dean
Ray Gill
Kirklan Warren King
Richard Elwood Nitschke
Jerrold Ray Rowray
Thomas M. Rumora
These appointments will serve a term of two years that will begin retroactively on January 1, 2005 and expire on December 31, 2006.
