CITY OF SAN ANTONIO  
NEIGHBORHOOD ACTION DEPARTMENT  
CITY COUNCIL AGENDA MEMORANDUM

TO: Mayor and City Council  
FROM: David D. Garza, Director, Neighborhood Action Department  
SUBJECT: Appointments to Tax Increment Reinvestment Zone Board Number Twenty – Rosillo Creek  
DATE: May 5, 2005

SUMMARY AND RECOMMENDATIONS

This ordinance will appoint Robert Wiley Hunt, Orson A. Kinney, James B. Nelson and Kenneth P. Wolf to the Board of Directors for Tax Increment Reinvestment Zone Number Twenty (20), City of San Antonio, Texas, known as Rosillo Creek, for two-year terms beginning January 1, 2005. This ordinance will also provide for waivers, for these terms only, of Section 2-402 of the City Code regarding the process for at-large appointments for these appointees, and of Section 2-403(c) of the same article regarding the City residency requirement for Robert Wiley Hunt. Pursuant to Ordinance Number 100186, passed and approved on December 16, 2004, City Council authorized the designation of the Rosillo Creek reinvestment zone to support new commercial development on approximately 66 acres of land located in the northeast side of the City with boundaries lying outside Loop 410, at the intersection of Eisenhauer and Walzem Roads. Each year the board of directors of a reinvestment zone shall elect one of its members to serve as presiding officer for a term of one year.

Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

Soon after Board appointments are approved by the City Council, the Board will convene to consider the Final Project and Final Finance Plans and to complete the TIRZ creation process by executing all the necessary legal documents.

This Reinvestment Zone was designated following the submission of a petition to the City by property owners in the proposed zone. When the City designates a TIRZ, the TIF Act requires that the City Council establish a reinvestment zone board of directors. Amended in 2001, the TIF Act states that the board of directors of a TIRZ created pursuant to a petition shall consist of at least nine (9) members, unless a greater number is necessary to comply with the statute. The TIF Act provides a formula for calculating the number of seats an entity may have based on its anticipated pro rata contributions to the zone fund.
In compliance with the formula for board composition in the Act, the board is composed of seven (7) directors appointed by the City for two-year terms. Additionally, the State Senator and State Representative in whose districts the zone is located shall also be members of this Board, except that either may designate another individual to serve in the member’s place at the pleasure of the member. In the event that other taxing entities wish to participate by contributing their increment to the TIRZ Fund or that the City wishes to appoint all the directors to which it is entitled (up to a total of nine (9)), the Board composition will be adjusted up to eleven (11) board members, with appointments based on a pro-rata share of the total projected revenue. All appointees will continue to serve until reappointed or replaced by City Council action, or else removed for noncompliance by the City Clerk. State law prescribes that to be eligible for appointment, a person must: “(1) be a qualified voter of the municipality; or (2) be at least 18 years of age and own real property in the zone or be an employee or agent of a person that owns real property in the zone.”

POLICY ANALYSIS

On December 16, 2004, City Council passed and approved Ordinance Number 100199, which governs the creation and operation of all boards and commissions created by ordinance or resolution passed by the City of San Antonio City Council. It has been the City’s policy, and continues to be, that the boards and commissions policies of the City of San Antonio apply to TIRZ Boards, except as provided otherwise by state law.

Due to the unique nature of TIRZ boards, and in an effort to comply with the amended City Code, staff requests that for these terms only, these appointees to this board be exempted from Section 2-302 of the City Code, regarding the process for at-large appointees to boards and commissions, and Robert Wiley Hunt be exempted from Section 2-403(c), regarding the requirement that all board appointees be residents of the City.

While TIRZ Board members by state law are not City officials, it is City policy to require them to comply with the Financial Disclosure Report statement provision of the City Ethics Code. All board and commission members must file a Financial Disclosure Report with the Office of the City Clerk upon appointment, and annually thereafter, throughout the member’s term and any possible holdover status. Failure to file a Financial Disclosure Report within the time required by the City Ethics Code will be considered an automatic removal.

Staff advertised for Applications for Appointment to TIRZ Boards in January 2005. Four (4) applications were received. All applicants meet Statutory requirements. The four (4) applicants include:

Robert Wiley Hunt
Orson A. Kinney
James B. Nelson
Kenneth P. Wolf
These appointments will serve a term of two years that will begin retroactively on January 1, 2005 and expire on December 31, 2006.
